

Sports Funding Spending 2015/2016

Total available: £8875

£1500	School Partnership (Blacon High School) <ul style="list-style-type: none"> • The co-ordination of a competitive sporting calendar • 2 tournaments per term • Blacon Education Village sports day • Trophies and rewards
Impact	
<ul style="list-style-type: none"> • This built confidence in children with low self esteem (SQD evidence) and engaged children in crisis or trauma (Needs analysis). • Exercise impacted positively on children's overall health and wellbeing, reported by parents. • Blacon Education Village sports day provided an excellent transition opportunity and promoted a healthy competitive spirit between Arches children and inter school competition. 	
£720	External coaching 1 term specialist gymnastic lessons (8 sessions each for 4 classes)
Impact	
<ul style="list-style-type: none"> • This gave the children specialist gymnastics input and the opportunity to meet Beth Tweddle. • Developed teachers gymnastics skills and knowledge through CPD. 	
£6840	Sports Leadership <ul style="list-style-type: none"> • Swimming tutors • Additional after school clubs • Sports coordination • Preparation for competitions • Swimming pool hire
Impact	
<ul style="list-style-type: none"> • 65% of Y6 pupils met the expected standard for swimming, from low starting points. • 100% of pupils who engaged in swimming sessions improved in water confidence and safety. • Clubs and PE sessions prepared children well for competitions leading to good sportsmanship and healthy competitiveness. • Every child was celebrated for their performance, boosting self esteem. 	
Overspend of: £185 taken from support staff funding
