

Friday 15th February 2019

Dear Parent/Carer,

Bug Alert!

A couple of parents have approached teachers in school to report a case of head lice. Please check your child's hair tonight.

Comb hair through with a fine tooth nit comb on a regular basis. Only use the chemical treatments if you can see **live lice**, otherwise use a nit comb and lots of conditioner to remove any eggs. Tea tree shampoo and conditioner is said to help rid the hair of lice and prevent re infection.

If your child does have little 'pets', there is nothing to be embarrassed about! Please let school know as soon as possible so we can work together to get rid of them.

**TOGETHER
WE CAN MAKE
ITCHY SCRATCHY HEADS
A THING OF THE
PAST!**

A Head lice check will be carried out week commencing Monday 25th February.

Yours sincerely,

Michelle Ashfield
Headteacher

Saughall Road, Blacon, Chester CH1 5EZ.
