- I think the school have prepared my child well for transition to high school and I don't think there's a better school I could have sent my child to. So much progress since coming up from preschool so really pleased with the teaching given. Thank you.
- More awareness at playtime with rough play think before children are told off for retaliating they need to be asked full story. Don't think my child's unhappiness in class was picked up straight away and this was due to alteration with older boys. When alerted, Mrs Ashfield swiftly acted on my concerns and now my child is doing well and happy again.

- Well, what can we say about such a fantastic school! There is not a better feeling when hearing that your children are doing well in school, and is not just a reflection on parenthood but also as educators you deserve just as much credit in helping mould our children's minds. We thoroughly appreciate all the hard work and effort The Arches Primary School puts in, so far that take a bow! Here's the oncoming years and once again. Thank you.

- I would like to say what a great teacher Miss Hancock is, I cannot fault her teaching ability and is on the ball with all aspects. If there has been an issue with my child.
