

Evaluation of Sports Premium Funding for the 2018-2019 Academic Year

Total available £18 140

Action/Resources	Cost	Impact
Specialist Sports provision 2x 2hr sessions per week 39 weeks	£7 222	<p>Children in Year 5 and 6 had opportunities to participate in a wide range of competitive sports such as Football, Tag Rugby, Indoor Athletics, Basketball, Handball, Netball, Rounders and Kwik Cricket. Outcomes included: children receiving recognition in assembly and receiving certificates; Improved school partnerships (including competing against different schools); improved cooperation - and opportunities to work as a team; Chances to take responsibility within a team; Having experience of young leaders and learning to become confident sportspeople; Improved self-esteem, confidence, resilience, health and wellbeing.</p> <p>The P.E curriculum was adapted to be taught in line with the BEV Sporting calendar. The impact of this was the children being more able and confident at sporting events. Children strived to be the best they could be, in line with one of our school mottos, to get a place in the team thus improving fitness. Children were more inclined to practice at home to increase their skills and fitness level in order to be chosen for the school teams</p> <p>The specialist sports teacher improved children's leadership skills and built confidence through peer led warm up and stretching each session. The children are now able to lead this independently.</p> <p>Children in Year 3 and 4 had the opportunity to participate in Dodgeball, Uni-Hoc and Mini-Tennis, receiving rewards in assembly and resulting in some children playing in multiple games for the first time.</p> <p>All Key stage 2 children had the experience of competing in a professional sports stadium in an organized multi school Olympic style competition.</p> <p>Year 5 children attended the closing awards ceremony for the above competition, on behalf of KS2. Two children were identified as rising stars from each year group.</p> <p>The specialist sports teacher has supported teaching staff to improve confidence across all areas of PE teaching.</p> <p>The School Sports lead has accessed advice on various rules to the different competitions giving the children more confidence at the competitions.</p>
CRDSA Chester Rural District Sports Association	£100	<p>Year 5 and 6 children were selected to take part in the Chester Football Cup while Year 3 and 4 competed in a league. Key Stage 1 and Year 3 and 4 children participated in Mini Kickers tournaments.</p> <p>The children had opportunities to improve community links with schools outside the immediate area, playing in matches where there was consistent expectations and rules.</p> <p>Increased stamina and resilience were needed to play in several matches. Children were able to access and experience playing at all levels of football from beginners through to matches that required more advanced skills.</p> <p>These achievements and improvements were recognised in whole school celebration assemblies, which parents were given the opportunity to attend.</p> <p>Improved self-esteem and confidence.</p>

		Wider opportunities to experience competitiveness. Improved knowledge of the rules of the netball/football. Experience of the pressure of playing in front of 'premier scouts'.
Bollywood dance workshops	£559	The children were able to experience exercise in a new fun way linked to The Arches Social, Moral, Spiritual and Cultural Curriculum. All children Y1 -Y6 had the opportunity to take part in and develop an appreciation of dance as an element of Black History Month.
Specialist after school provision: <ul style="list-style-type: none">Multi sports 1hr per week x 38wks	£1 710	Key Stage 1 and 2 children were given the opportunity to take part in a wide range of sports resulting in all those that attended, developing improved agility, balance and coordination. Commitment to this group improved from the previous year and was sustained.
Change for Life sports club	FREE	Twenty children, who would normally not access sport, were targeted to engage in a sporting programme, to increase fitness levels. Parents reported that they saw an increase in their child's leadership skills and confidence. This will continue in 2019 -2020 without charge, using the resources purchased this academic year.
FS2 outdoor gross motor equipment	£ 2 600	It increased gross motor skills in order to develop muscle tone, facilitating increased fine motor development linking to writing. Increased outdoor activity, particularly for boys and had an impact on health, wellbeing and self-care.
PE passport (3 year provision)	£3 465	Improved teaching of PE skills across the school across a range of sports and disciplines. Improved teacher knowledge. Reduced teacher workload, in line with Government directives and improved assessment and tracking of child performance in PE.
Golden Mile track	£790	Increased fitness of all children and staff through walking at least one mile a daily.
Additional swimming teacher 1 afternoon x 38weeks	£1 755	This helped to improve confidence in the water demonstrated by non-swimmers when supported by 'in water support'. Accelerated progress for non-swimmers and increased percentage of children attaining national swimming standards.
Total spend:	£18 201	Over spend: £61
